

## **INDEPENDENCE DAY @ IIS**

The 71<sup>st</sup> Independence Day was celebrated with pomp and verve. The India International Fraternity assembled on the lawns facing the Academic Block. The Chairman Mr. Krishna hoisted the flag and all present added to the sanctity of the moment by singing the National Anthem.

Thereafter all proceeded to the Multi-purpose Hall to witness a potpourri of music, dance and mime to celebrate the day. Our students captured both the struggle and the achievements thereafter to reach where we are today. The promise and determination to do small acts of kindness that will effect change enhanced the programme and filled us with pride. What is important is that they care.
